Workshop Schedule

Below is the full-day schedule, followed by a short list of what to bring. Session times are tab-aligned to the right margin with a dot leader, the layout classically used in printed programs and tables of contents.

Opening Keynote.....9:00 AM

Color Management Deep Dive.....10:30 AM

Working with Vector PDFs.....1:00 PM

Closing Panel.....3:30 PM

What to bring:

- A laptop with the sample project installed
- A printed copy of the schedule above
- Questions for the closing panel
